THE AGA KHAN UNIVERSITY

Institute for Educational Development

Centre of English Language

## General English Language Proficiency

### Centre of English Language (CEL)

The Centre of English Language (CEL) of Aga Khan University provides extensive language learning facilities to the University's students and employees. In addition, CEL offers short courses and workshops for external clients in a wide range of areas related to English language education. Equipped with modern language learning resources, the Centre also provides consultancy services.

### Course Description

The course on General English Language Proficiency has been designed to help adult learners of English use the language in a variety of practical ways in real-life contexts. Keeping the academic and professional needs of the participants in focus, the course has been developed to meet learners' needs by incorporating authentic and contextualised ELT materials and the latest teaching methodology.
